

Agent fact sheet

Who we are

At CenterWell, we understand that aging often comes with unique and sometimes more complicated health challenges, so every aspect of our care model is designed with seniors in mind—fostering physical, emotional and social wellness. That’s how we define senior-focused primary care.

Every day, we come to work dedicated to providing personalized, high-quality healthcare and an excellent patient experience—to help seniors in the communities we serve live healthier, happier and more fulfilling lives.

How we’re different

We believe in a holistic approach to patient care.

Caring

- Doctors who listen with compassion
- A dedicated care team
- Personalized care plans
- Coordinated referrals

Focused
